

SUMMARY FOR
Personal Care Provider Manual Update #57

Proposed Rule I implements the requirements of IDEA, which mandates that school districts are responsible for providing certain services specified in a child's Individualized Education Program (IEP), except when the child's parents or guardians elect to have the service furnished by a provider of their choice.

Proposed Rule II implements State legislation regarding Medicaid enrollment of private care agencies and extending the hours that Medicaid-enrolled private care agencies may provide personal care.
